

A Master 20x30in (508x762mm)

Please provide your 20x30in A Master artwork as an RGB hi-res PDF with an additional 4mm bleed on all sides - total size 516x770mm.
Please include printers crop marks on your poster artwork.

Light grey area indicates visible poster area when in your frame. Please keep all important information within this area but bleed your artwork to the edges of the document.
