

The diagram shows a semi-circular shape with a light gray fill. A dashed magenta line follows the inner curve of the semi-circle. A vertical double-headed arrow on the right side of the semi-circle indicates a height of 225mm. A horizontal double-headed arrow at the bottom indicates a width of 405mm. The text 'A2 Booster Header Graphic' is centered in the upper half. Below it, two paragraphs of text provide instructions on bleed and file format.

225mm

A2 Booster Header Graphic

Dashed Magenta guideline indicates edge of trim area.
Please bleed artwork 5mm outside this line. Final applied graphic size
405x225mm.

Please supply this artwork as an eps or hi-res PDF. Your artwork
should include an additional 5mm bleed on all sides when working at
100%. All fonts should be created to outlines and you should flatten all
transparencies.

405mm
