# Swinger 2000 Poster

Please provide your Swinger 2000 poster artwork at A2 size with an additional 5mm bleed on all sides - total size 430x604mm. Please include printers crop marks on your poster artwork. The poster artwork has a visible area of approx 400x575mm (as denoted by the magenta dashed keyline) therefore we recommend a clearance zone of at least 15mm from each edge of your artwork on all sides. Bleed any artwork into your clearance zone but avoid placing any important information within it.
