

Final Document Requirements

Please supply final document as a hi-res PDF at:

25% (with 2.5mm bleed on all sides) - total document size 217.5 x 540mm

50% (with 5mm bleed on all sides) - total document size 435 x 1080mm

100% (with 10mm bleed on all sides) - total document size 870 x 2160mm

or supply InDesign source file with all relevant link files and fonts

Visible Area

Bleed artwork over this area. Make sure no important information features here as this ends up in the take-up cassette
