

Final Document Requirements

Please supply final document as a hi-res PDF at:

25% (with 2.5mm bleed on all sides) - total document size 605 x 642.5mm

50% (with 5mm bleed on all sides) - total document size 1210 x 1285mm

100% (with 10mm bleed on all sides) - total document size 2420 x 2570mm

or supply InDesign source file with all relevant link files and fonts

Visible Area

Bleed artwork over this area. Make sure no important information
features here as this ends up in the take-up cassette
